

# Mingle All the Way!

NEPPA Members came out in full spirit to celebrate the holiday season on December 7<sup>th</sup> at The Biltmore Bar & Grille in Newton for the Mingle & Jingle event. It was designed as a casual event to step away from the hustle and bustle...and certainly the many rush orders to spread cheer as we networked with each other. It certainly was not a quiet room as the laughter and mingling could be heard throughout the restaurant. Surrounded by both new and returning members, you could feel the warmth of the organization with a sincere family feel.

We truly want to thank all members for their participation and support throughout the year. Wishing you Happy Holidays from your NEPPA Family!
