

# Summer Fun at Stony Creek Brewery

There was no better way to finish off summer than our social “happy hours” at the Stony Creek Brewery in Branford CT. A blend of 45 distributor and supplier personnel arrived at 4:30 to enjoy Stony Creek’s own craft beer lineup and a buffet that had a Mexican flare. When we weren’t playing games of Cornhole and Jenga we were sharing industry stories and catching up on each other’s summer vacation activities.

A big “shout out” goes to Hub Pen Company and their corporate sponsorship. It was thru their generosity that we were able to make our Stony Creek event affordable for all.

If you missed out this year-not to worry. This event is likely to happen again in 2018!
