

The Magnet Group welcomes Bill Nault as Regional Sales Manager for their New England territory.

Based in Rhode Island, Bill will cover MA, CT, RI, NH, VT and ME. The Magnet Group's VP of Field Sales, Dave Glaser says, "Bringing Bill, a 20+ year industry veteran, to The Magnet Group family was an easy decision. His proven track record and the fact that he comes highly recommended from our distributor partners makes him a perfect fit for our culture we breed at TMG."

"I hope to create more visibility for TMG in New England while helping distributors better learn our capabilities. We have 7 fantastic product lines combined with industry-leading service levels. It's a nice story to tell," explains Bill.
