

A great time was had by all at the NEPPA Summer Bash!

The weather couldn't have been more perfect for our summer social event, which was held at the Sunset Tiki Bar and Grill in Westford, MA on August 16th! Members enjoyed cocktails, great food and the company of industry friends. Eleven teams participated in the NEPPA Cares Cornhole Tournament Fundraiser, and the final two to take the prize were Jeff Hinds of ETS Express and Roger Sicotte of Vantage Apparel. Special thanks to Showdown Displays for donating the cornhole board prizes.

The event also helped raise money for our Humanitarian Award winners' charities with a donation from each Summer Bash ticket purchased. Lori Donovan of alphabroder supported Dana Farber Cancer Institute and EJ Jackson-Cole of Safeguard supported Coop's Troop Foundation, and we were pleased to make donations to their charities.

Thank you to all who participated and for your support of NEPPA Cares.
