Gourmet Expressions is the newest and most exciting addition to our product line! These beautifully packed foods are sourced from only the finest manufactures. My customers and I are blown away by the stunning packaging and incredible treats currently available for the holidays.

Tell us something about you that most people may not know.

I have been a musician most of my life! I love singing! I play guitar, piano and drums. I am a songwriter who has produced several albums in the 90's. I also toured regionally for several years with my band EVERYdayGREEN. In addition, out of high school, I joined the Army and specialized in diesel mechanics. I am celebrating my 20 year wedding anniversary this year with my wife Deborah.

If you could choose any profession other than your current one, what would it be?

Ultimately if I weren't in sales, I would love to be writing songs for TV and Film. I would be very happy writing for people who have the means to showcase them.

Rob Thomas (songwriter for Matchbox Twenty) once said, "The world can CREATE a popstar, but they CANNOT CREATE a songwriter."
