

Another FUN Night at Fenway!

NEPPA's annual Red Sox Game was on June 13th! The day started with heavy rain and wind but cleared right before first pitch!

We had great seats in the Coca-Cola pavilion on the left field side with a wonderful view of the field and Green Monster. Both Distributors and Suppliers showed up to cheer the Sox to a well-fought victory over the Rangers.

All 75 tickets sold out again for NEPPA's most popular social/networking event!
