

Storm Duds Chosen as Preferred Supplier by the Team of Mission: Impossible

The team representing Tom Cruise reached out to Storm Duds Raingear searching for an umbrella that could be used in sun and rain. The Sun Storm style # 3911 was the perfect fit.

The team at Storm Duds Raingear was excited when they were chosen as their preferred supplier. Tom Cruise and the cast of Mission: Impossible - Dead Reckoning Part One used the umbrella's during their Global Premiere with Paramount Pictures in Rome. The umbrella shaded them from the harsh summer sun on The Spanish Steps, by the Piazza di Spagna during photos and autograph signing. They came in handy again when it began to rain during the evening events.
