

NEPPA Night at Fenway – A Fun Time for All

For the 50th anniversary of NEPPA we made our triumphant return to Fenway Park on 5/15. We had an awesome turn out with over 60 members in attendance to enjoy a ball game under the lights out in right field on the Sam Adams Deck.

The Sox fought hard but took a 4-3 loss to Tampa Bay despite a couple of great home runs. The night provided an awesome opportunity to enjoy the game and network with members both new and old.

We were happy and thankful to have you all in attendance and hope to see you at our next event!
