

NEPPA's Holiday Party – Oh What FUN!

What a fantastic way to wrap up our 50th year! The last of our 50th Anniversary Celebrations took place during our annual holiday party held at The Sudbury Point Grill. We had an incredible dinner, live music, Yankee Swap, and cake!

We had a total of 48 attendees and almost everyone was dressed in black & gold! The highlight of the evening was the Yankee Swap, which brought laughter and friendly competition as guests swapped unique gifts.

Our holiday party was a memorable night of celebration, camaraderie, and tribute to our past and future.

Winding down the year, let's all take a moment to be grateful and thankful. This community has contributed to the success and growth of everyone involved. A truly special group, members of NEPPA – an organization that cares and supports one another. We are a family.

Wishing you and yours a Happy and Healthy Holiday Season and 2025!
