

The Power of Endurance: NEPPA's Fall Expo

NEPPA members gathered on September 15th and 16th for the annual Fall Expo, embracing this year's theme: The Power of Endurance. For the second year in a row, the DoubleTree in Andover hosted our trade show, while the Annual Meeting and Dinner took place at the Autograph American Tavern.

The Annual Meeting and Dinner brought together 55 members for a night filled with fun, good food, and great conversation. A highlight of the evening was the NEPPA Cares raffle, supporting our President's charity, the German Shepherd Rescue of New England. Thanks to the generosity of our community, we raised \$1,000 for this incredible cause.

We also welcomed the incoming 2026 Board, a talented group ready to lead NEPPA into the future with fresh energy and vision. The atmosphere was warm, celebratory, and filled with excitement for what's ahead.

This year's trade show was a sell-out for exhibit booths, and the energy on the floor was nonstop. Attendees connected with vendors, explored new opportunities, and enjoyed the fantastic giveaways provided by our generous sponsors.

Events like this don't just happen, they are made possible by the dedication of the NEPPA board, our hardworking committees, and incredible volunteers. To all who contributed your time, energy, and resources: Thank You. And of course, a heartfelt thank you to our sponsors, whose support ensures the continued success of these gatherings.

The Fall Expo reminded us of the strength and spirit of our community. We are excited to carry that momentum forward and hope to see everyone at our upcoming Holiday Party on December 11th.

Together, we are building something enduring—and the best is yet to come.

Our theme this year was "The Power of Endurance: through every turn, we are built to last." In closing the meeting, Lori reflected on what makes our association so special – supporting one another as we face challenges both in our business and our lives and adapting to whatever comes our way. She inspired us all with her message as we raised a glass, "Here's to NEPPA; here's to endurance, and here's to being built to last!"

NEPPA Cares Fundraiser

We had a blast holding our President's Charity Raffle for German Shepherd Rescue of New England at the Annual Meeting before the Fall Expo! This amazing organization rescues, rehabilitates, and rehomes German Shepherds, giving them a second chance at a happy life — and you all showed up big to support them.

From the fantastic raffle prizes donated by our members both supplier and distributor to the excitement of everyone buying tickets and joining in, the energy in the room was incredible. It was great to see so many people step up, have fun, and make this raffle such a huge success. Check out the top 3 raffle items below!

Thanks to your generosity (and maybe a little friendly competition), NEPPA Cares was able to donate \$1,000 to German Shepherd Rescue of New England.

We couldn't have done it without you — thank you for bringing the fun, the heart, and the support for such a great cause!
